

## Air Cargo Security Training

### Level G

### Course Content

Air Cargo Security courses are MODULAR. Each level builds on the training received at a lower level. For example, a Level D candidate will have received all modules delivered to Levels A, B & D before receiving training in the modules specific to Level D (modules for Level C are not delivered on TrainingTeam's scheduled courses, although a Level C can be provided as an in-house course. Call for more information)
